Frogs

What is a polliwog and how does it turn into a frog? Are all frogs green? Where do they live in the winter? Create your own frog puppet after learning these and more interesting facts.

ILS: 4, 11, 12, 13, 25, 26

G: preK-1

Cost: \$70

Lady bugs

What kind of insect are ladybugs? Are they all girls? What do they eat? Where do they go in the winter? Discover the answers as you create your own ladybug.

ILS: 4, 11, 12, 13, 25, 26

G: preK-1

Cost: \$70

Snakes

How do snakes smell? Do they have bones? Why do they stick their tongue out? Discover these answers and learn more facts as each child writes and illustrates their own snake book. See and touch a real snake skin.

ILS: 1, 2, 3, 4, 11, 12, 24

G: preK-1

Cost: \$60

Circuits

What is an electrical circuit? How does a circuit work? What is an electron? Create a simple circuit.

ILS: 4, 11, 12, 13

G: 2-5

Cost: \$70

Electrostatic Charges

What is an electrostatic charge? What does a Van de Graaff generator do? What causes the spark when I shock someone? Learn the basics in this hair raising experiment.

ILS: 3, 4, 5, 7, 10, 11, 12, 13, 24

G: preK-5

Cost: \$70

Solar System

How many planets are in our solar system? How far apart are they? Do they move? How do they move? Is the moon made of cheese? Discover the answers as your class becomes the solar system.

ILS: 1, 4, 7, 9, 10, 11, 12, 13, 19, 21, 24, 26

G: preK-5

Cost: \$60

Global Art

Explore different artistic techniques from various countries and cultures. See how people use the same materials yet create different patterns. Create your own masterpiece using some of the methods and materials discovered.

ILS: 4, 9, 16, 17, 24, 25, 26, 27

G: preK-5

Cost: \$60

Sculpture

What is a sculpture? Is it a statue? Are sculptures only of people? Does it have to be carved or molded to be sculpture? How can I make a sculpture? Create a sculpture from everyday objects.

ILS: 4, 8, 24, 25, 26, 27

G: preK-5

Cost: \$70

Musical Instruments

What can be a musical instrument? How are they played? Why do they sound different? Create your own instrument as we discover the world of music.

ILS: 4, 6, 19, 25, 26

G: preK-1

Cost: \$70

Nutrition

What is the food guide pyramid? What is a serving size? Why is it important? How does it affect me? Is there a connection between what I eat and what I do? Find out the importance of fruits, vegetables and more.

ILS: 4, 7, 22, 23, 24

G: K-5

Cost: \$60
